New Beginnings

September always feels a little like the beginning of a new year. The summer holidays are coming to an end, children are going back to school, the evenings are getting shorter, and many of us are wondering where on earth the summer went! For some, September means new school uniforms, new teachers and new routines. For others, it means getting back to work after the holidays – and for those who have retired, it can simply mean trying to remember what day of the week it is! But September can also remind us that **God gives us opportunities for new beginnings**. The Bible says, “*This is the day that the Lord has made; let us rejoice and be glad in it.*” (Psalm 118:24)

We don't always know what the coming months will bring. There may be exciting things ahead, but there may also be challenges, worries or changes that we would rather avoid. Yet we don't face them alone. God walks with us, giving us strength when we need it, wisdom when we are unsure, and hope when things seem difficult.

And perhaps that's something worth remembering across our villages. We don't have to do everything ourselves. A friendly word, a cup of tea, a visit to someone who's lonely, or simply stopping to ask, “How are you?” can make a surprisingly big difference.

So, as we enter September, let's make it a month of **fresh starts, kindness and hope**.

And if September brings rain, remember: God promised Noah there would be no more floods. He didn't actually promise there'd be no more British weather! May God bless you, your families, and all our communities across the Appleby Group of Churches this September.

**“The Lord bless you and keep you;
the Lord make his face shine on you and be gracious to you.”**

— Numbers 6:24–25

Norton juxta Twycross

How we would love some rain at the time of writing this. The heat has been just a bit too much for most of us. It has cooled a little now but still no rain. It probably won't know when to stop once it starts and we will be moaning about that next. Did you get a good safe view of the eclipse. It seems a passing cloud spoilt it for some but there were some good photographs on the Village WhatsApp site

Church News

We apologise that the Church clock continued to strike the 9 o'clock hour for about an hour one evening. Thanks to Headley and Matt who stopped it. Unfortunately, having spent around £1000 on repairs already this year, it seems to be coming to the end of its life.

Village Hall News

Thank you to the Vero family for allowing the fete to take place on their property. It is a lovely venue
